

How to receive disbursements from Amazon Seller Central Europe

To get started, log in to Amazon Seller Central

1. At the top right side of your screen, click Settings and then select Account Info from the drop-down menu.

The screenshot shows the Amazon Seller Central dashboard for a user named 'shangshufang' in the German marketplace (www.amazon.de). The 'Settings' menu is open, and 'Account Info' is highlighted. A yellow warning banner at the top states: 'Amazon has temporarily removed the selling privileges for your account. Please refer to the email from Amazon, or to the latest message in your Performance Notifications, to learn more about the status of your account. Additional information is required to open your Selling on Amazon payment account. Please provide the requested information immediately. To provide the required information, please click here. The additional information is in red.'

The dashboard includes several sections:

- Your Orders:** Pending (0), Premium unshipped (0), Unshipped (0), Return requests (0). Seller Fulfilled: In last day (0), In last 7 days (0). Fulfilled by Amazon: In last day (0), In last 7 days (0). View your orders.
- Notifications:** Fulfilment by Amazon Starting April 1, 2019, Fulfilment by Amazon fees are changing. For complete details, visit 2019 Fulfilment by Amazon fee changes (Europe). Learn more.
- News:** New templates make it easier to submit dangerous goods information. We're excited to announce that submitting dangerous goods information is now easier. The exemption sheet templates for battery and battery-powered products, as well as for products that don't contain harmful chemicals, have been updated to help you... More news: Starting January 31, 2019, for Amazon Business orders, the Purchase Order (PO) number will be appended to the recipient's name in Order Reports and Order Details. See all recent news...
- Amazon Selling Coach:** Inventory. What type of products would you like to sell? Enter your preferences below so we can help you discover popular products with...
- Payments Summary:** Deposit method information or invalid for your seller account. Deposit Method Information. Balance. View Payments summary.
- Manage Your Case Log:** View your case log.
- Sales Summary:** Last updated 3/14/19 7:41:40 AM MET. Ordered product sales (Units): Today (€0,00 0), 7 Days (€0,00 0).

2. Click on Bank Account Information under the Payment Information section.

Seller Account Information

You currently have limited access to Amazon Selling Services

European law requires us, as a payments provider, to take steps so that we can confirm the identity of our customers. Please note that we may need to request additional information to fulfil these requirements and allow you to use our services. To open the Selling on Amazon payment account and to be able to transact on Amazon, you must provide:

- [Deposit Method](#)
- [Upload Required Documents](#)

Alternatively, you can click this button to provide the information: [Start Wizard Mode](#)

Once we have received and been able to validate your data, we can open your Selling on Amazon payment account. Otherwise we might ask for additional information. For more help, [Contact Us](#)

New Seller? Please click here to start listing your products. [List products now](#)

If you wish to sell in a category that requires approval, you can start the process by clicking [here](#).
